We Make it as Easy as 1-2-3

STEP 1

Select The Items for your Event

We will work with you to gain a better understanding of the goals of your event as well as the demographics of your guests. After the initial consultation we will work together to select the items you would like to provide for your fundraising, and advise you throughout the process. **There is no risk, no upfront cost, and no hidden fees.**

STEP 2

Offer Items at Your Event

All items are custom framed and ready for display. Your supporters can walk out of your fundraiser with the auction item the night of the event.

STEP 3

Raise Funds! Increase Donations!

Your organization receives 100% of the profits! All auction items sell above consignment price, and your organization receives every dollar above consignment. For example: When you sell an autographed jersey at your event for \$900 with a consignment price of \$300 your organization receives \$600. It's as simple as 1-2-3!
